

Services/Activities Inventory

Department: Economic Development

List those services provided to the citizens by this department. Do not list routine tasks that support functions within the department; i.e., checking the mail.

1. Provide business retention and expansion assistance to Roanoke County companies who provide employment opportunities for citizens.
2. Assist businesses and real estate developers with County regulatory processes such as zoning, site plan reviews, special use permits, etc.
3. Promote and market the County as a business location, therefore providing new tax revenue and jobs for citizens.
4. Provide a single point of contact for businesses and citizens who need information on development issues, opportunities and processes.
5. Provide a real estate marketing forum via the internet for vacant industrial and commercial property including promotion on the County, regional and state economic development websites.
6. Represent Roanoke County citizens on regional economic development Boards and Commissions.
